Steve,

Since you have all of the
green pages reserved for Patsy
in the back I'm just going
to write in the front. I've
really enjoyed being your
neighbor for the past 3
years and hope that we
continue to be neighbors
for a very long time. Boy
I'll never forget the times
when you used to stop
out at the house and see
Jimmy on your way home
from work. We would sit
out there and play the
cant.

radio until way up in the
morning. I can truly say
that you are one of the
nicest, & greatest boys that
I know. I can really
count on you when I need
something. (most of the time.)

Well here's wishing
you the very best of luck
and happiness in the
near and coming future.

I hope that everything
^{works} out for you and Patsy. She's
sure getting a swell guy.
A friend,
Pam Moore

FOREWORD

This is the year we have waited for. Now the seniors of '68 with cap and diploma will become graduates of Granite Falls High School. Not a dream but a reality has made this goal true.

As Freshmen we looked ahead with doubts. Would we someday be able to take the role of Seniors? But that was a dream and nothing more. The Sophomore year found us following escapades of fun. With pen in hand we saw ourselves through our autobiographies. This was the year we became more active in organizations and looked forward to the time when we would be leaders of the school. As Juniors we planned the Prom. With our ideas and earnings we set out to work on our chosen theme.

And now we are the Seniors. We have our high school days behind us and the memories of four years within us. We have taken part in the privileges and responsibilities handed down to us. Now we are ready to face the future.

An Age
of Discovery

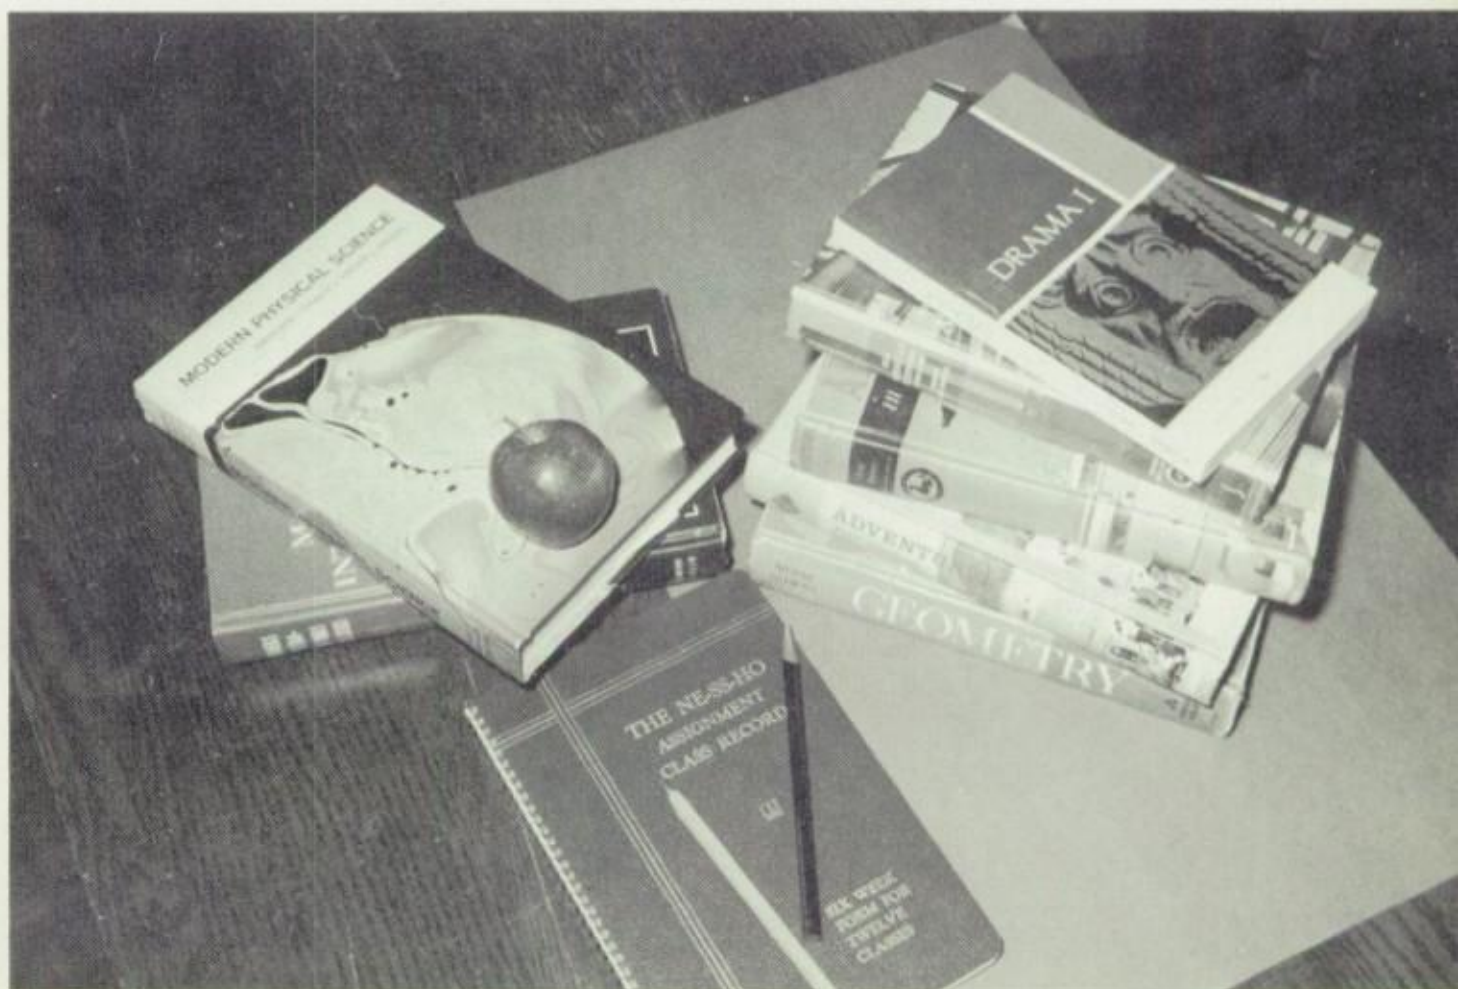

IN MEMORY

It is hard to understand why someone so young and dedicated as Alan should be taken from us. Yet we know God never makes mistakes. We can't express the emptiness felt in the absence of Alan's presence among us, but his living memory remains. And it is to this memory that we dedicate this, the 1968 BOULDER.

ADMINISTRATION

PRINCIPAL

MR. BILL METCALF

The students of Granite Falls High are very fortunate to have Mr. Bill Metcalf as their principal. He is always available to help any student with a problem and is pleased when students seek his advice. We the students want to thank Mr. Metcalf for the conscientious job he is doing for us.

SECRETARY

MRS. REVA HAYES

Mrs. Reva Hayes is completing her second year as secretary of G.F.H.S. She has served competently as Mr. Metcalf's assistant. Everyone is grateful to her for her help at Granite Falls High.

1967 GOLF TEAM

David Walden, Butch Estes, Roger Russell, Paul Brown, Mike Harren, Warren Walden, Gene Mundy, Bob Poovey.

As the years pass, the Granite Falls Golf Team shows success for the many hours spent by its members. Their 1967 season was the best season yet.

Coach Bolick will coach the Golf team to an even better year in 1968.

CONCLUSION

A book was made—a year has passed,
And each has come to its end at last.
The pages turn, and days fly by,
But memories stay and never die.

Oh reader, think back 'ere you close this book;
Those pictures, those faces, each happy look,
Were meant to be memories in years to come.
So happy to many, nostalgic to some.

We leave this school and our childhood behind,
And face the future, knowing not what we will find;
But a small part of life has already been spent,
And each soul is different in the way it was meant.

The childhood will prove what a man will be,
The mold has been cast, now time shall see;
But the years that have passed were dearest to all,
And now they are gone; a curtain will fall.

A book was made—and years have passed,
And each has come to its end at last.
The pages are turned—the days gone by,
But memories stay and never will die.

My dear Mr. [illegible]
I have just received your letter of the 10th inst. and am
glad to hear that you are well. I am at present
in the city and have not had time to write you more
fully. I am, however, very anxious to hear from you
and hope to hear from you again soon. I am
very truly, your friend,

Hi Fudd,

have some with you next year.
Keep up the good work Steve and
you will get married have some kids
and become the 5 Star General of the
United States. Keep your chin high
and your stomach in and you will
go a long way in this old world.
I want to wish you the very Best of

Steve:

I think this has been one of the best years I have ever had in school. I also think that you are one of the best class mates a guy like me could have. To me you seem like a guy that people would like to hang around with. You seem like you have a lot of fun and I haven't heard tell of you getting into trouble like myself. That is the kind of person that I admire.

I wish you best of luck in the future and hope you & Patsy gets along just fine.

Your friend forever

Hi Fudd,

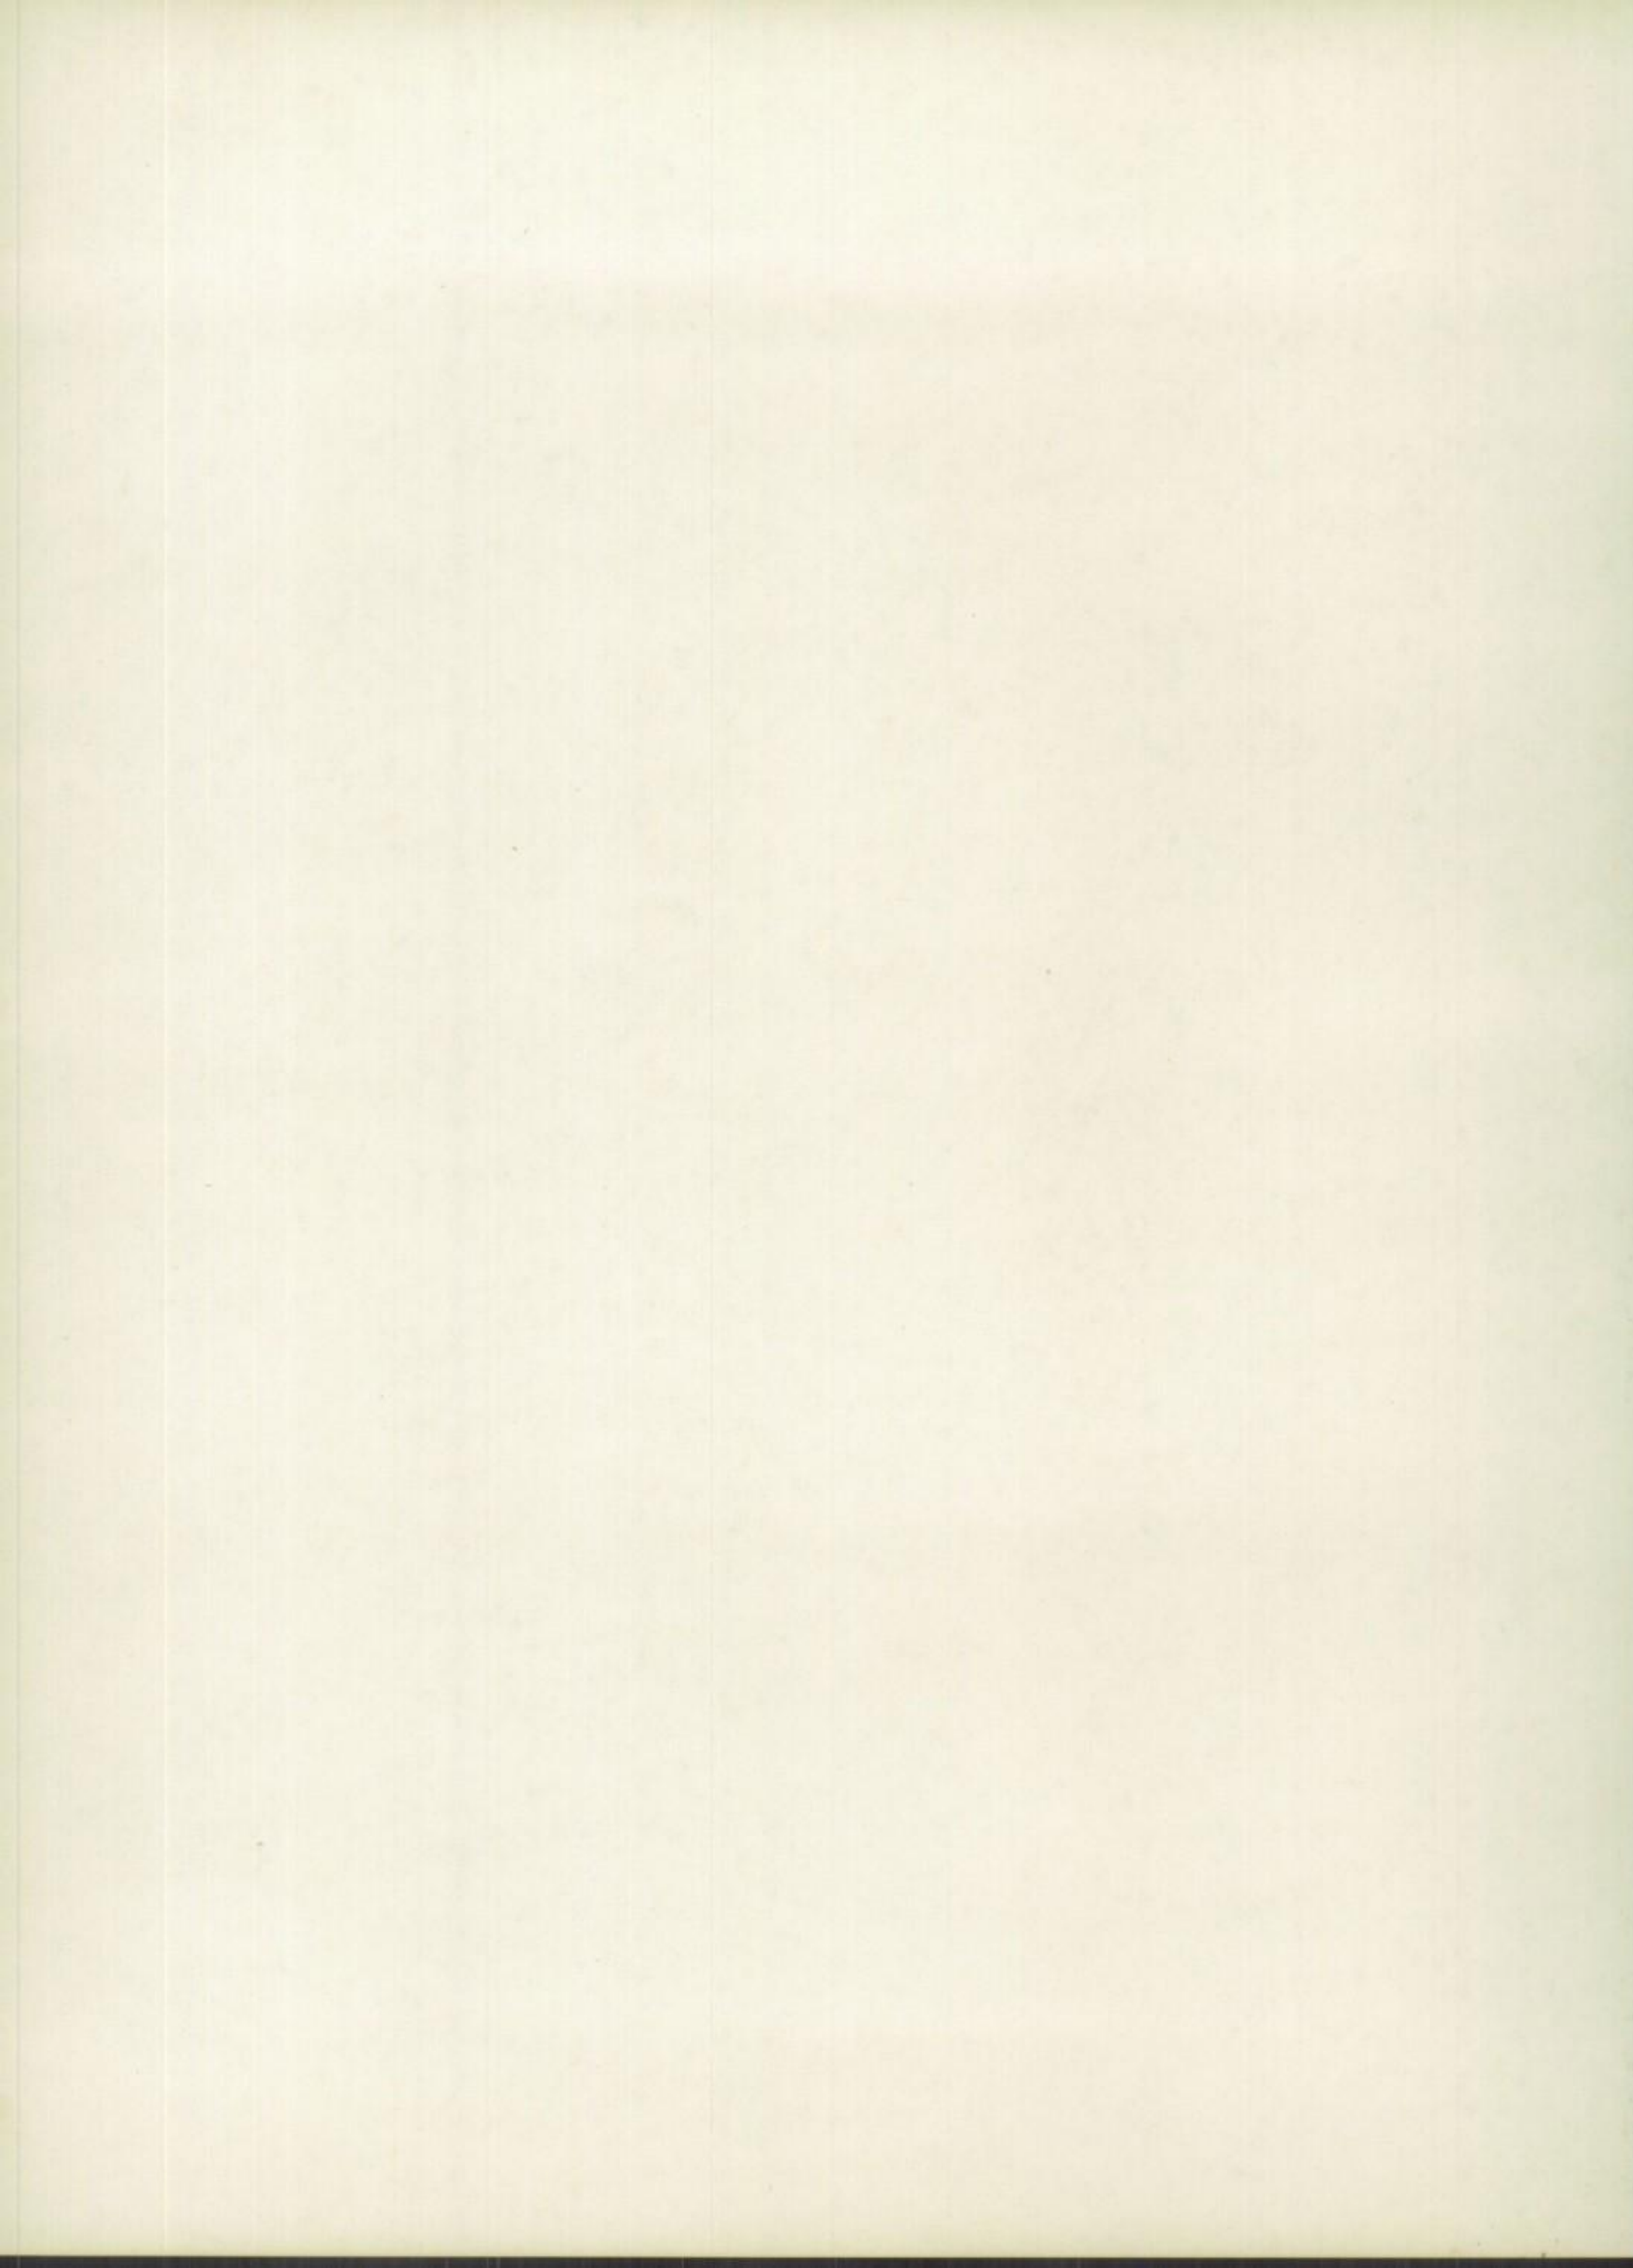

Well the years about over and I sure am glad. eight
More days and then the "good ole summertime". Remember
all those times in science when you would hit someone,
or when you would get your car bumped
and everyone was out there looking at it. If
you get a new car, I hope you the best
of luck with it. I wish you and
Lacey would hurry up and get married
because I love it here to a wedding in
over a year. Well best of luck in what-
ever you do, and be good.

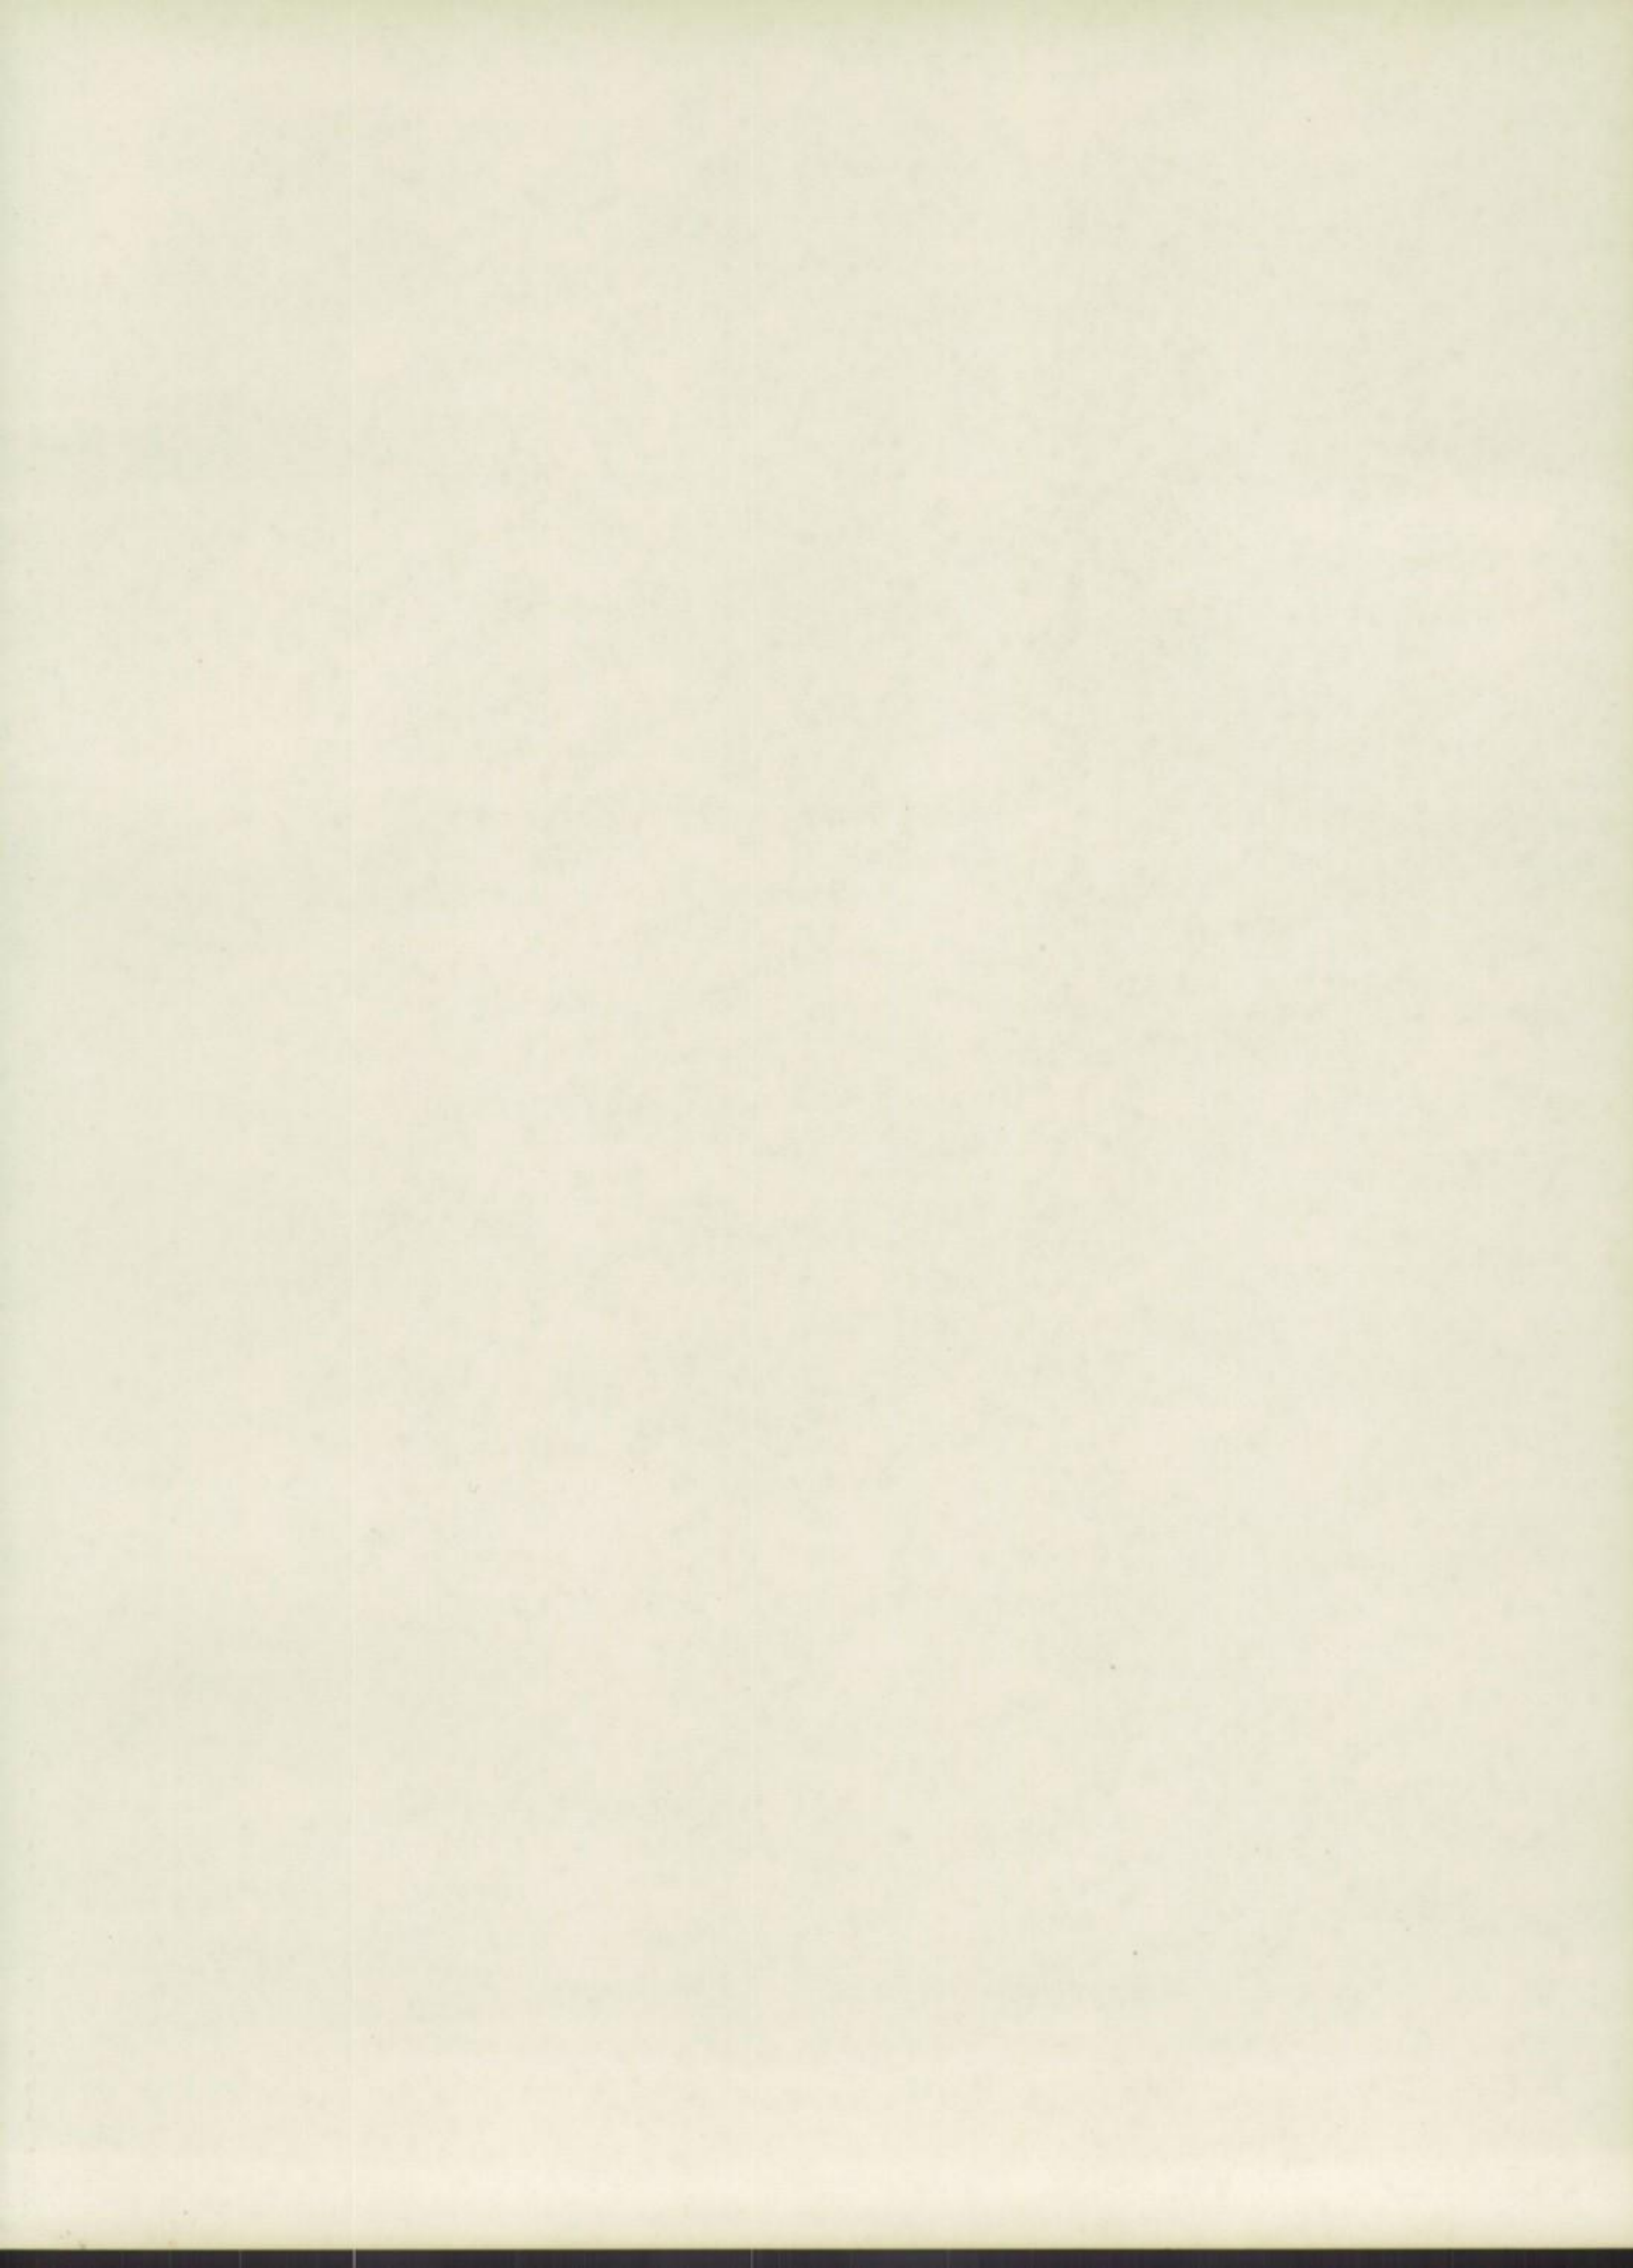

a friend forever

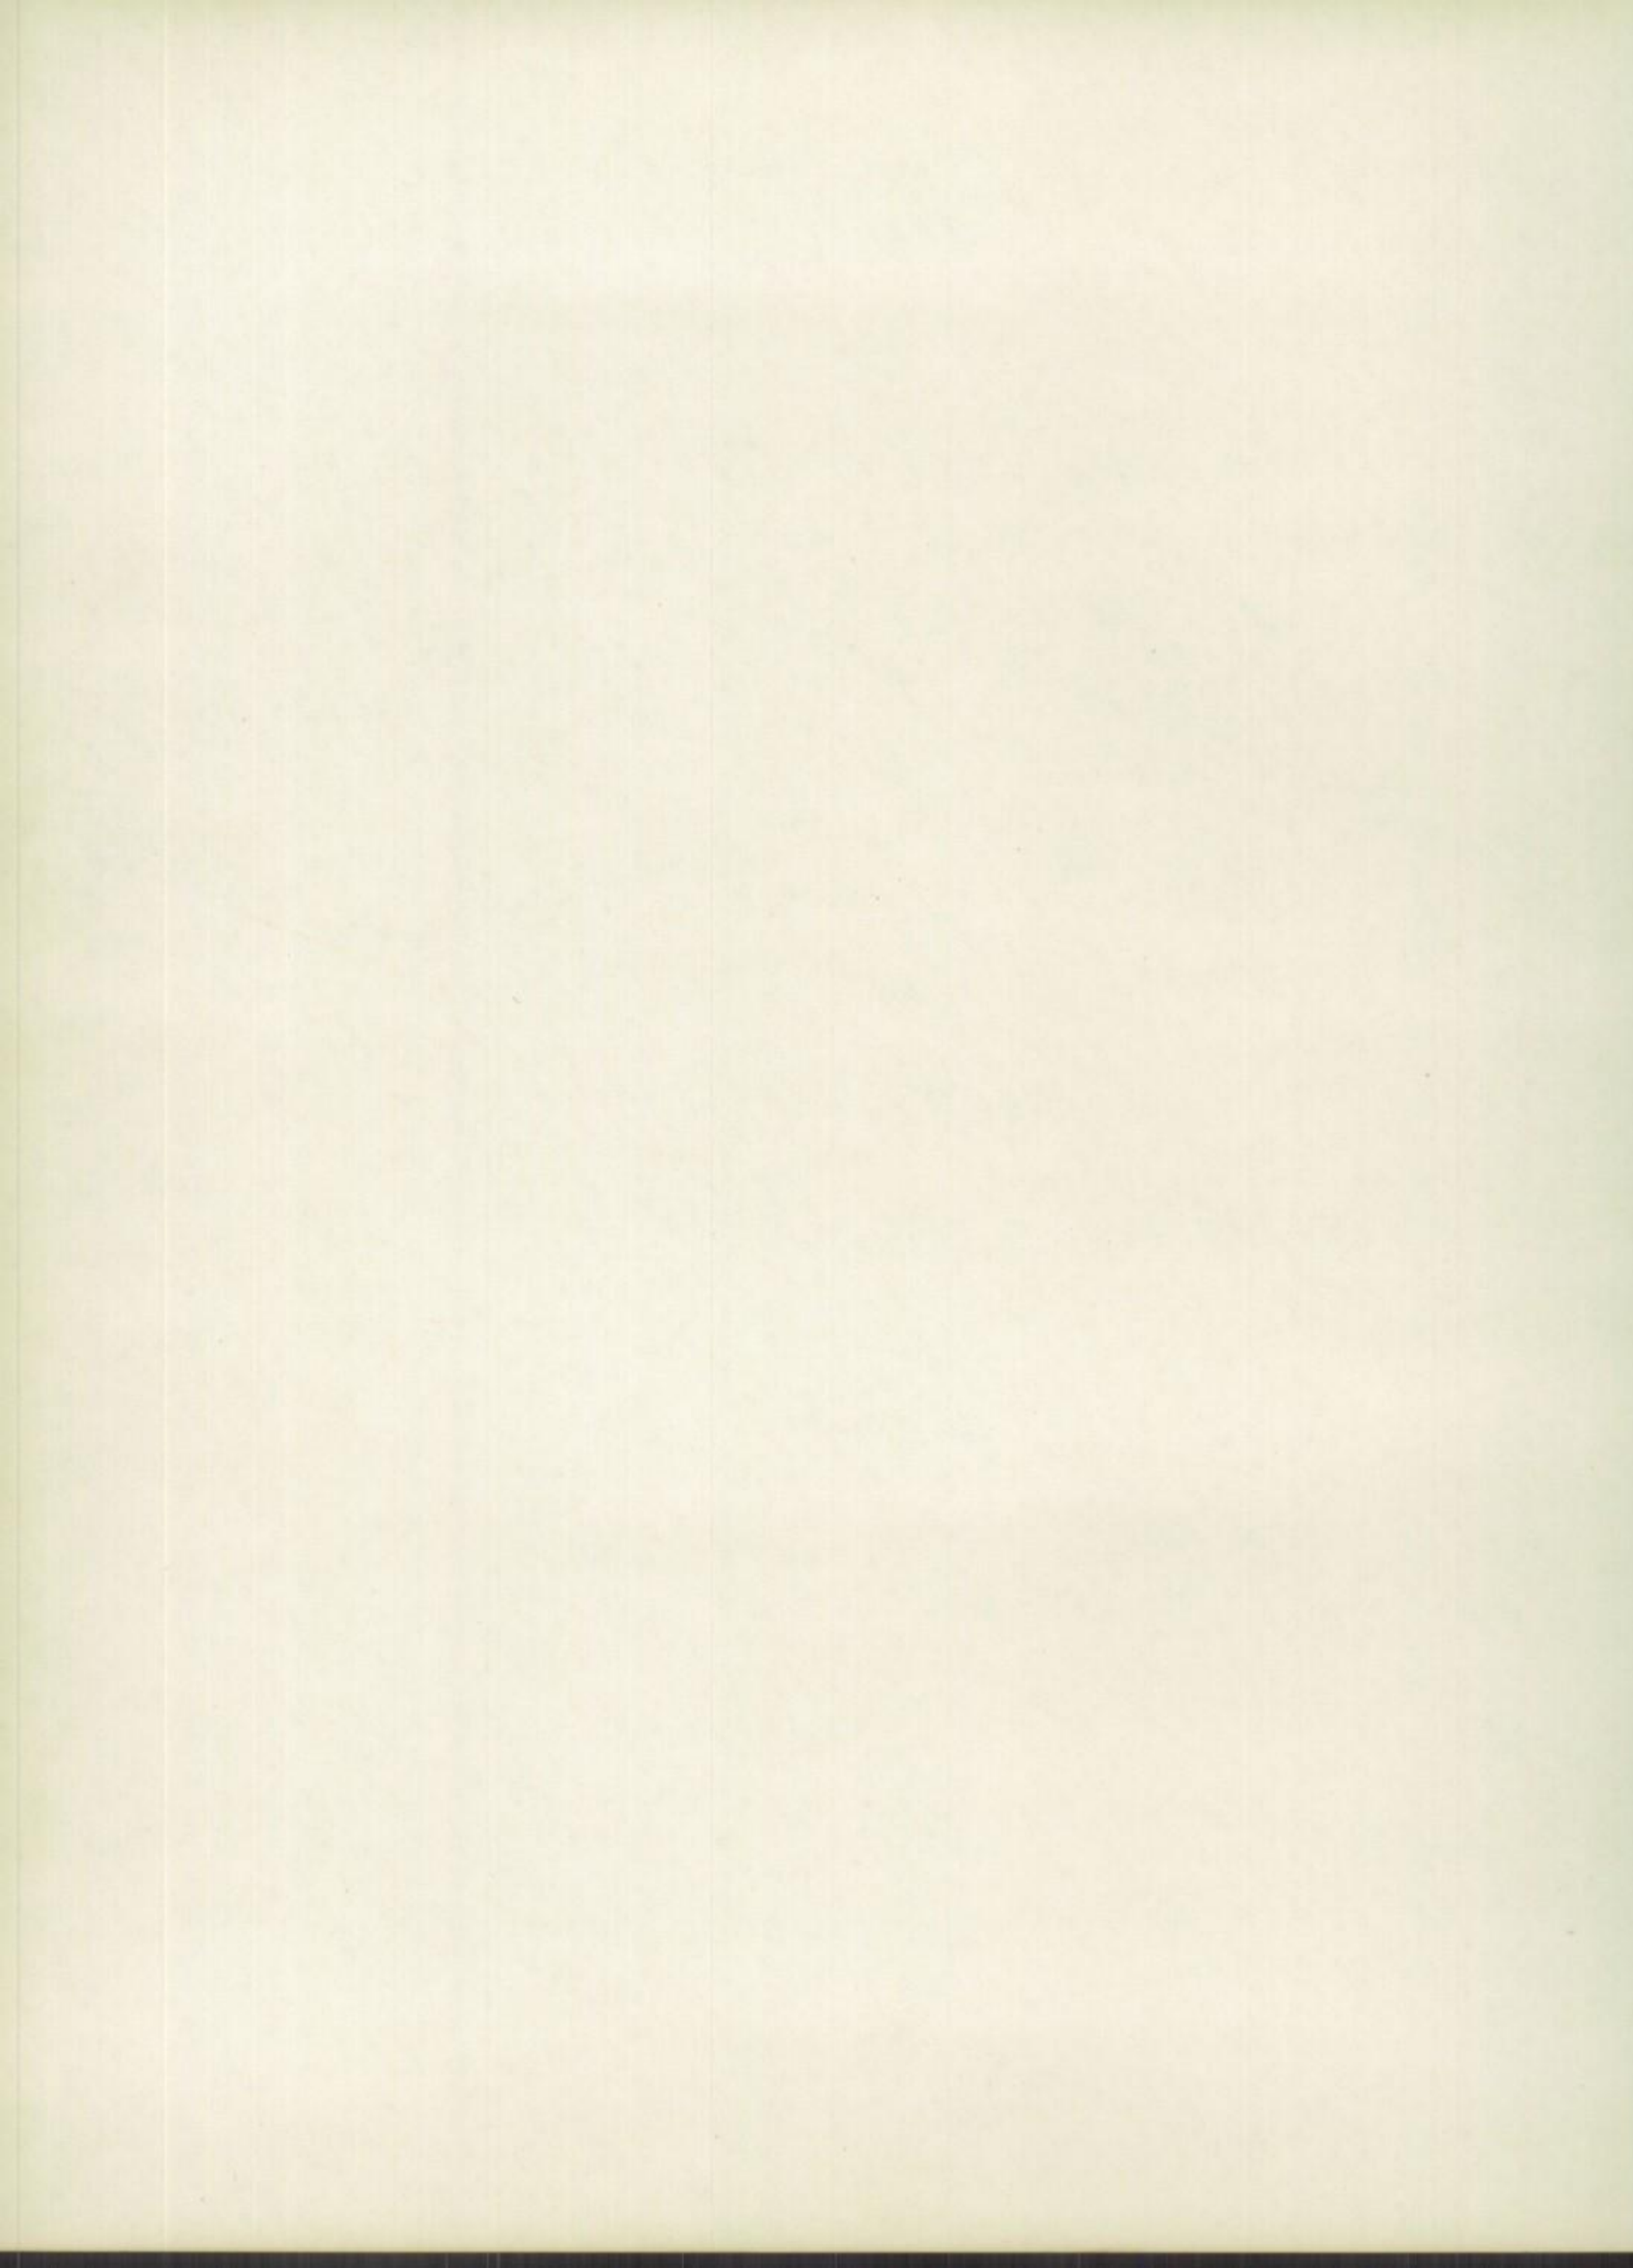

P.S. Hurry!!!
and get married
I add.
Kut.

Steve,

You are the nicest guy I know. It has been great knowing you for these couple of years. I never thought a guy as nice as you could ever be mine. You really mean the world to me.

Your personality is the greatest. You really have a nice sense of humor. You are the only person I know who can be hurt or not feeling well and still have a sweet smile on your beautifully handsome face. If you keep up your great personality you will surely go far in life. Your future is what you make of it. I know yours will be a success.

Your grades are very nice this year. I am very glad you are really trying harder this year. You deserve a lot of credit for even going to school, now. Just asked for God's help and if you are really sincere you will make or be what ever you want.

Your family and relatives are so nice to me. You have a great family, always be kind and loving to them and you will always have their love. I know you can get upset and angry at them, but as you say the best way to get alone is to just walk out. Stay your sweet, lovable self and you will never have any trouble.

Your car is beautiful. You really should be proud of it. Many boys don't even get one of these own, it has gotten bumped & banged but it does run wonderfully. Take care of it & then drive like you should and it will always be that way. I do have to say you do drive nicely. The only time I have ever saw you slow-out is when I make you angry. I do hope you will find in your heart away to forgive me.

I have been a "little pest". I am so happy you have found away to put up with me. Not many of people could have stood me as long as you have. Two years & 2 months are a long time. I just hope to pray our love will last a life time & here after. Be sweet & always be careful in your car. I do want you to be safe always.

I have gained a nickname this year of "little fudd" I don't mind because it makes me proud to be called after you.

Well I'm running out of room. I just have to say. Stay your wonderful self. Try hard in school & be careful everywhere you go. Just keep praying for me & my family we need your prayers. I will always pray you are safe. May God Bless you & keep you safe in His hands always. Love & Kisses,
(I Love You) ————— Patsy

Stere,

It's been nice knowing you and fun talking to you & Patsy. You two are a very cute couple & I hope you have a lot of fun this summer. Be good to her and don't let her get away. Well now you just take good care of her and yourself.

Good Luck
Best Wishes

A friend,

It has been fun this year having you in a couple of classes. You are a real good friend and I will always be. I wish you the best of luck always.
